

Name \_\_\_\_\_ Class \_\_\_\_\_

- 1** Complete the table to show what the name of each cell is, what tissue it forms and which organs it is found in.

	Name	Tissue it forms	Organ it is found in
			
			
			
			
			

- 2** In the space below, copy the pictures of the root hair cell and the muscle cell. Make your drawings twice the size of the ones in the table. Label their parts.
