

7Ce/5

Feeding relationships 2

You will need a copy of worksheet 7Ce/2 (Antarctic food web). Use the worksheet to answer the following questions.

?

- 1 Make a table, like the one shown below, to show all the organisms in the food web. Some organisms may appear in more than one column.

Producers	Consumers	Herbivores	Omnivores	Predators	Top predators

- A food web is like a flow diagram. It shows how energy flows through the plants and animals in a habitat. Where does this energy originally come from?
- Write down the longest food chain in the food web.
- Write down the shortest food chain in the food web.
- Humans eat Antarctic toothfish. Write out a food chain which includes this fish and humans.
