- 1 On the lines underneath each drawing write the name of the animal and the name of the vertebrate group it is in. Use the words in the box for the animal names.

cobra    elephant    field mouse    frog    giraffe    human  
lizard    magpie    parrot    perch    swordfish    tortoise

- 2 On this drawing of a fish, label the features that show it is a fish.

- 3 List two differences between this fish and the fish at the top of the page.
